PLAINTIFF'S EXHIBIT MON-39

FROM Monsanto, Illinois

DATE July 27, 1966

SUBJECT

REFERENCE

JUL 29 1966

TO Dr. E. M. Kelly
General Office

We have checked the list of W. G. Krummrich employes you supplied that have had cancer. Our personnel records show none of these employes worked in the insulators group.

On the attached sheet there are four notations, "No record." This indicates that we were unable to find personnel cards for these individuals.
