Hi Tate,

You must be racking up the frequent flyer miles!

Let me work with our grassroots folks here today and I will touch base this afternoon.

Yes, NAHB staff and our Senior Leadership have met with the Administrator and several of the WOTUS folks on his team including Sarah Greenwalt. I also had a post-doc fellowship in EPA Office of Water, Office of Wetlands, Oceans, and Watersheds (OWOW) before I started at NAHB and know many of the key career staff there well, including John Goodin, Rose Kwok, Donna Downing, etc.

Safe travels,  
Owen

On the road with Pruitt today but - in the meantime- could you put together a few ideas for some in state roundtables on WOTUS in some of your states with the strongest grassroots leadership? Anything in WI possible? Denver? I'm guessing your folks have met with our barebones OW team on WOTUS since Pruitt was sworn in? If not, please let me know.
