KNOWN THERMINOL LEAKAGES
FOOD PROCESSES

D. E. Roush B2S C

~~J. J. Roder~~ B2S C

Attached are notes from prior conversation between R. Stohr, Don and myself. Please add to or change my notes as appropriate. If possible for each incident please pencil in:

1. Approximate date(s) of occurrences.
2. Processed product
3. Extent of leakage/contamination
4. Source of problem
5. Monsanto person(s) most involved with incident.

Thanks.

D. R. Pogue
