Sacred Heart Alumnae Reunion

The Sacred Heart Presentation Alumnae will hold a reunion at the Presentation Convent, Turk street and Masonic avenue, this afternoon, commencing at 2:30 o'clock.

All the old pupils of the Sacred Heart Presentation Convent, so well known to all the early San Franciscans—the Convent that stood for so many years on Taylor and Ellis streets—will gather together to meet former teachers and school companions.

This is always an interesting gathering, and represents the mothers and sisters of some of San Francisco's prominent men.

A program of talent selected from the members will be presented, and to commemorate old school days, refreshments will be served as of yore.

Co-operation Club Of S. F. Organized

Another service club took its place in the business and professional life of San Francisco last night.

At a large banquet in the Hotel Fairmont the local chapter of the Co-operative Club International received its charter from Howard G. Cleaveland, director. Franklyn M. O'Brien, club president, accepted the document.

A delegation of members from the Los Angeles club was on hand to aid in induction of the newest "local," and Erwin W. Winday, president of the southern organization, was speaker of the evening. He talked on "Co-operation."

Gypsies Will Form Political Party

BELGRADE (Jugo-Slavia), Oct. 25.—At the pending elections the gypsies will figure as a political party for the first time.

Sevatomir Mihajlovic, a young teacher from Dren, has founded a party of the "Poor," by which term the gypsies of that district are meant. He has succeeded in organizing them and intends to issue at Belgrade a journal of the Gypsies' party. The list of candidates includes four "thoroughbred gypsies."

Prayer Offered for Youth, Wins Parole

ATLANTA (Ga.), Oct. 15.—(AP)—I. B. Hall, one time prominent citizen, then fugitive from justice, who was betrayed by his prospective son-in-law for $50 and now is a "lifer" in the penitentiary here, will soon be at liberty. Hall has been paroled by Governor Hardman.
