Contactors for incandescent and infra red lamp load, see page 268.

AUXILIARY CONTACT KITS

Contacts	Catalog Numbers ❸Size 00	Size 0	Size 1	Size 2	Size 3	Size 4 & 5	Price
Normally Open	10933-H12	10933-H1	10933-H1	10933-H7	10933-H7	10933-H7	$6.
Normally Closed	H12	H2	H3	H8	H9	H21	6.
Normally Closed Late Opening	---	H4	H4	H10	H10	H10	6.
❷Normally Open and Normally Closed	---	H5	H6	---	---	---	8.

❶ One, two and three pole sizes 00, 0 and 1 have an extra power pole used as a control circuit interlock. When no interlock is required as on 2 wire control, select contactor with one less power pole.

❷ Both normally open and normally closed contacts must be on same polarity.

❸ Packaged kit of contacts for size 00 contactors only; $2.00.
