NOT COLLECTIBLE FILES

In regards to your letter of March 7, 1955, the four cards attached to the x-rays were sent in error. The Clinic keeps these cards in their files.

We checked on the following discrepancies:

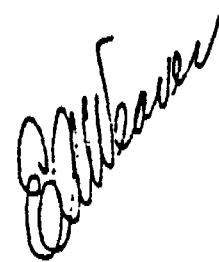

Jimmy R. Goodman (Feb.13) \$3.00. You did not have a physical report on this man. We found that the doctor examined this man and found immediately that he had an abscessed tooth. He rejected him temporarily, until he could have this condition corrected. He kept this report until the man returned and since he never returned he discarded this report. I feel however, since the doctor actually examined the man we should pay the \$3.00.

George M. Hart (Feb.13) \$8.00
You have a physical report for this man but no x-ray. The Clinic reported an error was made in their book-keeping department and a credit of \$5.00 would be given us on our next medical bill.

Attached are physical reports on the following men.

Dock E. Lyon
Arthur N. Whitehead.

I am enclosing herewith four cards, each of which were attached to the pertaining x-ray. You will note that on each card there is a designating mark such as "E-" or "H". Please advise the reasons for the designating marks and the cards.

With regard to the medical bill which we just received, I found the following discrepancies:

Jimmy R. Goodman (Feb. 13) \$3.00

I do not have a physical report on this man.

George M. Hart (Feb. 13) \$8.00

I have a physical report for this man but no x-ray. However, since the charge is \$8.00, I assume an x-ray was taken.

In the last x-rays received, we received x-rays but no physical reports for the following:

Dock E. Lyon - You noted that he was physically examined on 9-22-54.

Arthur K. Whitehead - You noted that he was physically examined on 8-27-54.

Please forward the physical reports on these men so that our file will be complete.

I would appreciate your comments on the above at your earliest opportunity since I am holding the medical bill pending your letter.
