THE COURT: You may.

BY MR. WILLIAMS:

Q I would like to show you what has been marked as Ford Exhibits 13 and 34 and ask you to take a look at those, Mr. Anderson.

Have you seen those documents before?

A Yes, I have.

Q What are they?

A They are basically thank you notes from Dr. Selikoff. The one from 1973 was to Dr. Compton who was -- it is written in here, executive director, but he, very shortly after that, if not at that time, was vice-president of research.

The second letter, which was a year later, was to Dr. Roy Gealer and basically another thank you letter.

Q Now, do you recall, were those in response to the funding by the research lab that you talked about just earlier?

A Yes, that is what these were about.

Q Do you know if any other part of Ford funded
