Trigg, Ernest T

July 14, 1924.

Mr. Ernest T. Trigg, President,
John Lucas & Co., Inc.,
522 Race Street,
Philadelphia, Pa.

My dear Mr. Trigg:

As Mr. Hoover is still on the Pacific Coast I took the liberty of consulting Mr. Tyrer, the Deputy Commissioner of Navigation, regarding Mr. Jackson's difficulties referred to you in your letter to me of July 15.

Mr. Tyrer has now looked up the case and assures me that it is entirely trivial and that the penalties will be remitted. The incident may therefore be regarded as closed.

Very truly yours,

Lee G. Monahan
Confidential Clerk to Mr. Hoover.
