Thank you! What time(s) worked for our meeting with Gov. Sununu that AM, for our planning purposes and before I reach out to these folks? We'd like to be in Manchester by 11 or noon, if possible.

Subject: Proposed names for Paper Industry Working Lunch

Hello Tate,

Please find a list of names that my offices think could be good people to invite to a meeting with the Administrator surrounding the Northeast Paper Industry at Central Paper Products. The Company recently was sold to Imperial Dade, but the old owners, the Kfoury family, are still in leadership and are supporters of Governor Sununu.

6. Mike Powers, Chair of the Granite State Division of the Society of American Foresters: Ex. 6
7. Chris Goodnow, Chair of the NH Timber Harvesting Council: Ex. 6
Ex. 6
8. Ben Crowell, Durgin and Crowell Lumber: bcrowell@durginandcrowell.com
9. Richard Verney, CEO Monadnock Paper Mills: Ex. 6
10. Hunter Carbee, Forester and policy director for Granite State Division of Society of American Foresters: hcarbee@metrocast.net

14. Karen Bennett, UNH Cooperative Extension: karen.bennett@unh.edu
15. Tom Thompson, Tree Farmer: Ex. 6

We understand this is a long list and wanted to be as inclusive as possible. Feel free to widen it down as you see fit.

The Contact information for Central paper Products (Imperial Dade) and Matt Kfoury is, mKfoury@centralpaper.com Ex. 6

The Governor will not be able to make the paper products meeting in Manchester, but Brad Simpkins, our State Forester, will represent the state.

I will reach out to Lee Forsgren to arrange a meeting at the end of the month with the three towns who are having issues with their MS4 permits.

Thanks,

Mac Zelle
