Hi Scott-

I was hoping to schedule a brief meeting with you during either the afternoon of April 4th or anytime on April 5th. I represent Columbia Basin Hydropower, who is developing a pumped storage hydropower project adjacent to Grand Coulee in Washington. I have attached a one pager with further details on the project. They will be in Washington the first week of April and would really appreciate the opportunity to meet you and discuss their project.

If you have any additional questions regarding this request, please feel free to contact me.

Best,

Matt
