

1 this -- at this time Helm Publishing was producing
2 them, but dealerships and a number of individuals.

3 Somewhat later than that I used to get them
4 routinely with my new cars.

5 Q Looking at the section -- going through the
6 section I Xeroxed on brakes, is it fair to say that
7 that is the section that would explain to a mechanic
8 how to actually replace and service the brakes on the
9 '46 cars and trucks?

10 A They describe adjustment and brake shoe
11 replacement. Yes.

12 MS. HINES: With that, I would move Wood
13 Miscellaneous Exhibit 16 into evidence.

14 THE COURT: Without objection, Wood
15 Miscellaneous 16 will be admitted into evidence.

16 (Whereupon, Plaintiff's Wood Miscellaneous
17 Exhibit Number 16 was received into evidence.)

18 BY MS. HINES:

19 Q I notice -- as you are flipping through
20 Miscellaneous 16, do you see anywhere in this document
21 any warnings of any kind concerning the brake
