Credit jobsite.

THE COURT: He didn't say that today.

He said that in his deposition, didn't he?

MS. TOSTANOSKI: Yes, sir.

THE COURT: Sustain the objection and strike the reference to blue mud.

BY MS. TOSTANOSKI:

Q Sir, I am going to move to the Sinai Hospital jobsite now.

Earlier, when I was asking you some questions, I asked you about the USG Audicote.

A Yes.

Q Now, was that a little bit different application that was actually some sort of a spray packing as the Audicote was applied?

A Yes, Audicote was an acoustical spray.

Q So it was for soundproofing?

A For soundproofing, yes.

Q Am I correct, sir, that this would create a fine mist that sort of would just go all over the place when it was applied?
