G.E. Specification for Aroclor 1221

P. L. Slayton
R. H. Munch
J. R. Kuster

Letters attached

Paul Benignus

Paul,

Enclosed is the finished specification for Aroclor 1221 for General Electric - Hudson Falls. Would you please have this approved and advise me so I can get back to G.E.? In the meantime they plan to purchase against this spec. until we advise different.

Thanks,

Jim
