The VIRGINIA COAL & ENERGY ALLIANCE is an organization of industries, businesses, educators, and others who have joined together for the purpose of promoting coal/energy and clean coal technologies. VCEA is a non-partisan organization working in the education, grass roots, legislative, regulatory and political arenas advocating for an abundant supply of safe, affordable and dependable energy for all citizens, businesses and industries. Energy independence, security, and competitiveness throughout the Commonwealth of Virginia and around the world serve as the cornerstones of the alliance's advocacy efforts.
