Subject: Your Order 9951
Born Job 1740
Painting Stack and
Stack Transition

Attention: Mr. C. D. Wilkerson

Gentlemen:

In our telephone conversation of this date we advised that there would be a charge of $542 for painting the stack and stack transition for the subject job with Dimetcote No. 5. You authorized this on the phone, and we are proceeding in accordance with these instructions.

We expect the stack and stack transition to be ready for shipment from Tulsa Friday, June 12, or Monday, June 15, at the latest.

Sincerely,

BORN ENGINEERING COMPANY
