

Typical bedroom, West Hotel, Sioux City, Ia., decorated with beautiful harmonious flat finish with Dutch Boy White Lead and Flatting Oil

AGAIN...*more proof of* DUTCH BOY'S

Adaptability...

"The Cove Room" in Sioux City, Ia., is a type of decorative grandeur with the charm of... Dutch Boy White Lead and Flatting Oil were used in obtaining the lustrous decorative effect in six colors.

ALL over the country, you find proof that Dutch Boy White Lead meets all requirements no matter what the type of painting job.

In the West Hotel, Sioux City, for example, Dutch Boy has been used throughout the interior and for exterior trim as well. Lobby, bedrooms and dining rooms... there Dutch Boy jobs ...all have the rich, pleasing appearance that Dutch Boy gives. Dutch Boy White Lead can be used for making paint for every purpose... whether for wood, plaster, wall board or metal. Mixed with Dutch Boy flatting oil, it provides washable interior wall paint. It is also used in producing undercoatings for enamel, blended and mottled effects and the plastic paint that gives the low-relief textures employed nowadays by so many decorators.

If you want to know more about the "Decorative Possibilities of Paint", write for our booklet which bears that title. For help on specific painting problems, consult our Dept. of Color Research and Decoration. Address nearest branch.
