

1 . vehicle analyst.

2 Q When he was promoted to a vehicle analyst,
3 did he still work out of the Oliver Street garage?

4 A Yes.

5 Q How many vehicles were there that had to be
6 worked on at the Oliver Street garage?

7 A Maybe about 12, 1,300.

8 Q And of those 12 to 1,300 vehicles, were they
9 still the old vehicles, or were they newer vehicles?

10 A New.

11 Q And how many of those new vehicles were Ford
12 vehicles?

13 A Maybe about -- maybe a third.

14 Q Now, at Oliver Street, was -- strike that.

15 Let me just go back, not to be confusing,
16 but you met Mr. Wood at -- after you came out of the
17 Korean War?

18 A Yes.

19 Q I am not sure if you said it, but at that
20 time, was he a garage man?

21 A I am not sure whether he was a garage man.
