Gentlemen:-

ZINC:

This afternoon we received your telegram of even date advising that you want figure on 45 tons Florence Red Seal or AX Pure in addition to your contracts and requesting us to wire answer.

We have not replied to this telegram as we figure it had been sent out before you received our night letter of the 4th inst. in reply to your telegram of the 3rd on the same subject.

On receipt of your telegram we requested the Western Union Telegraph Co. to trace our night letter of the 4th and hurry delivery, if not already made. We [illegible] the message is now in your possession.

While the New Jersey Zinc Co. have given us requested 15 day option on their offer, theyare [illegible] us to receive a reply as soon as possible, owing to [illegible] quality of the Florence Red Seal brand.

The New Jersey Zinc Co. advise that there is unusual demand for Zincs of all grades. Their [illegible] Anderson mentioned that even with all the new Zinc [illegible] now in operation, there will be great difficulty [illegible] producing enough to supply the demand.

Very truly yours,

W. P.FULLER & CO.
