Q All right. You were talking about the ability, the harm that asbestos has compared to cigarettes?

A Yes.

MR. IGNATOWSKI: Objection.

THE COURT: Overruled.

Q Just briefly tell the jury, what has more potential to cause lung cancer?

A Oh, cigarettes are many, many times more potent.

Q All right. That is accepted universally today, isn't it?

MR. IGNATOWSKI: Objection.

A Yes, sir.

THE COURT: Overruled. Although perhaps I will strike the word universally.

MR. McGOWAN: That is fine with me.

BY MR. McGOWAN:

Q Mr. Ignatowski asked you if you worked for money.

You don't work for free, do you?
