*Location:* TBD  
*Press:* TBD\_

**Notes:**

- ACT Government has offered one of two options:
  - **Option 1:** if interested in the judicial aspect, the ACT Civil and Administrative Tribunal deals with most environmental issues in the ACT (<http://acat.act.gov.au/>) and the Environmental Defender's Office has a useful handbook on the environmental law in the ACT (<http://www.edoact.org.au/handbook>).
  - **Option 2:** if interested in regulatory reform, the Environment, Planning and Sustainable Development Directorate may be most appropriate, and it includes ACT Environment Protection Authority (<http://www.environment.act.gov.au/>)
