

1 MR. MCGOWAN: May I, Your Honor?

2 THE COURT: You may.

3 BY MR. MCGOWAN:

4 Q It is right here, Doctor. I have it
5 highlighted for you.

6 MR. MCGOWAN: For the record, Your Honor, I
7 have handed him a medical record from Dr. Heyman.

8 Q Is that what you were talking about
9 earlier?

10 A Right. The sentence says the man was a
11 plasterer and he used plaster containing all of these
12 compounds, and says he knows of no definite asbestos
13 exposure.

14 That is the only record that I saw in this
15 package relating to history.

16 I don't know what Dr. Heyman asked him or
17 how he asked him the question.

18 Q So in the 1990s, you know to look for
19 exposure, and would it be fair to say that this doctor
20 was suspicious of asbestos being the cause of his
21 mesothelioma back in 1980?
