REQUEST TO MONSANTO COMPANY
FOR SAMPLE QUANTITY OF PRODUCT
CONTAINING POLYCHLORINATED BIPHENYL ("PCB")

1. Name and address of organization making request: Dr. Bonita A, Glatz, Department of Food Technology, Iowa State University, Ames, Iowa 50011

2. PCB product requested: Aroclor 1254

3. Quantity requested: 2 oz.

4. Reason for request: Needed to induce enzyme activity in rat livers for use in mutagenicity study, screening for potential mutagens/carcinogens.

5. Use to which sample of PCB-containing product will be put: To be injected into rats to obtain active, induced liver preparations.

6. Disposition to be made of any unused portion of sample: The university has a special designated group which disposes of PCBs in the proper manner. Any leftover material will be disposed of through this group.

MONS 096258

7. Names and brief description of educational background and job responsibility of person(s) who will be working with sample:

Bonita A. Glatz: A. B. Cornell University; M. S. and Ph.D. University of Wisconsin in Bacteriology. Assistant Professor in Food Technology, Iowa State University. Engaged in research screening for potential mutagens/carcinogens in the environment by using a Salmonella mutagenicity test developed by Dr. Bruce Ames for this purpose.

The undersigned organization represents that: the foregoing statements are true; it understands that if Monsanto elects to supply the requested sample of a PCB-containing product, Monsanto does so in reliance on the truth and accuracy of the foregoing statements; the person(s) designated by the undersigned organization who will be working with the sample is (are) aware that PCBs have been identified as a potential hazard to the environment and that regulations concerning their use or disposition are contemplated or may exist; that the label accompanying any sample will be read and cautions and instructions thereon will be observed; and that care is required in the disposition of PCB-containing products so as to avoid any adverse effect on human health and the environment.

NAME OF ORGANIZATION:
