Dear Dr.Selikoff,

Thank you for your letter of April 14th,1971. I must apologise for the long delay in replying but my plans are now beginning to take shape and I enclose herewith for your information, a draft copy of my proposed itinerary.

I hope that it will be in order for me to visit you on the 11th October and would be grateful if you could let me know the most convenient time for me to do so. I very much look forward to seeing you again and hearing from you of the latest advances in your research.

Very best wishes,

Yours sincerely,
