Dear Otis:

Concerning our earlier discussions about billing, would you please send to me as quickly as possible an invoice for the fourth quarter installment of $22,500 for the studies currently underway.

Secondly, would you also send me an invoice for $49,000 to pre-pay part of the costs of additional work which we hope you will be able to undertake before the end of the year and that will continue into 1971.

Best personal regards.

Sincerely,

Elmer P. Wheeler
