Dear Sir:

I have read with great interest your
article in a recent issue of the Boston News
Bureau. I should be grateful if you will let me
have a copy of the Journal of Industrial Hygiene,
in which I think some of my clients may be in-
terested.

Will you kindly let me know also, when
the report of the new study of lead poisoning is
likely to become available.

Yours very truly,

W. R. INGALLS
