Subject: [EXTERNAL] Hydrogen Resources

Hi Kevin,

Thanks again for taking the time to meet with me today!

As promised, here are a few resources I've written that provide additional background on hydrogen:

- [Hydrogen Policy Overview](#)
- [Hydrogen Hubs Blog](#)
- [Hydrogen Tech 101](#)

Also, I'm moderating a panel at 9 am on Wednesday at the World Hydrogen Policy & Regulation Virtual Conference. Here's a [link](#) to join if you're interested.

Please feel free to reach out if you have any questions. I'm always happy to be a resource!

Best,

Emma
