PROPOSED TOXIC POLLUTANT EFFLUENT
STANDARDS FOR ALDRIN/DIELDRIN ET AL.
FWPCA (307) DOCKET NO. 1

Mr. P. S. Park
A3SA

Attached are copies of reports from John Hesse, Michigan Department of Natural Resources.

These reports were sent to me in response to my request for any information available which would support Carlos Fetterolf's testimony that PCB levels in the waters of the State of Michigan were declining.
