BUREAU OF SAFETY AND COMPENSATION

HARRY GUILBERT,
DIRECTOR
F. C. LEWIS,
ASST. DIRECTOR

114th Street & Langley Ave.,
Roseland Station.

Chicago, Ill.,
Feb. 21, 1933.

Mr. C.-E.A. Winslow,
Yale University,
School of Medicine,
New Haven, Conn.

Dear Mr. Winslow:

Acknowledging with appreciation your note of February 9 together with paper entitled, "Protection Against Dust Hazards in Air-Pressure Abrasive Blasting."

At the first opportunity I shall make a thorough study of your paper and return it with my comments.

Very truly yours,

H. GUILBERT.
