e a Science; Firm Brings Job Together

s Solved by Industrial Experts New Profession

from a prominent official of gress, written on official note er, requesting the Wallace J. r corporation to find for *him* itable position, as the writer red to leave Washington and e his home in California.

NDERFUL INCREASE IN INESS OF WEIR FIRM

rom this description the *high* racter of the business of the llace J. Weir, Inc., can be erstood. As business becomes e complex, it also becomes individual. Trade classes lop and each division of trade omes a specialist profession. *too,* has the business of the loyment director passed into professional stage. *The scien-* direction of employment man- ment is now recognised as tically a profession, so much

Founder of the Employment s His Name

knowledge and ability are re- red in its *successful operation.* The firm of Wallace J. Weir, commenced business less than ear ago with a very settled and ngible policy. It is easy enough *define a policy, but rather diffi-* lt to always live up to it. But e Weir firm seems to have met th the greatest success in this rection, as evidenced by the onderful expansion of its busi- ess. It is now one of the largest mployment firms in San Fran- sco, placing more managerial, rical and secretarial positions
