ATTENTION: Mr. J. O'Connor

Gentlemen:

Within the next week, we shall send you 800 copies of an advertisement on CALSILITE-HI that will appear in the August issue of "Chemical Engineering" and "Petroleum Refiner."

Precision Insulation Company of Houston, Texas, has asked us to send these to you with a request that you send them to their mailing list.

If there are any further questions concerning this mailing, please address your correspondence to the writer.

Very truly yours,

The RUBEROID Co.
