Robert L. Niles, M. D.
Willow St.
Port Allegany, Pa. 16743

Dear Dr. Niles:

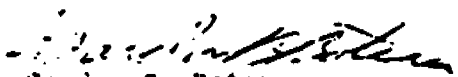

It is again time for pulmonary function testing and x-ray examination of our Glass Mixing and Melting people. I talked with Ben Carotenuto and he advises that the mornings of January 9, 10 and 15, 1979 would be satisfactory for this testing.

Would you please issue the necessary instructions authorizing testing for the following:

Larry Commino

Mr. Gerald Miller, Tank Superintendent will schedule the people and I will advise the hospital when and who to expect.

Yours truly

Gordon S. Notera
