Cheap Paint

Ruined This House—Why?

Because *cheap* paint is made of cheap *materials.*
It cracks, crumbles, blisters—doesn't wear.
Fuller's Pure Paint would have *preserved* this house—
Because it is made from Pioneer White Lead, chemically pure, pure zinc and pure linseed oil, perfectly mixed in correct proportions.

Pure Paint covers, protects and wears for many years.
Covers much more surface per gallon.
Good paint is an *investment.* *Cheap* paint an *expense.*
Buy *paint service.* Don't buy merely "paint."
