
December 9, 1966

Mr. C. B. Weber, Product Manager
Johns-Manville Sales Corporation
22 East 40th Street
New York, New York 10016

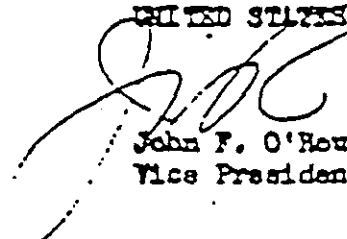

Dear Mr. Weber:

In answer to your letter of December 6, 1966, wherein you included copies of a complaint being entered by Bay Insulation Company, Green Bay, Wisconsin, regarding J-Spray, we would appreciate your forwarding a 50 pound bag of the material in question to U. S. Mineral Products Company, Stanhope, New Jersey., to the attention of Mr. F. M. Stumpf, Research Department.

We would appreciate receiving this material as soon as possible so that the complaint can be properly evaluated and a reply submitted.

Very truly yours,

UNITED STATES MINERAL PRODUCTS COMPANY

John F. O'Hourke
Vice President - Sales
