Dear Tom:

A good editor even makes me sound like I know what I am talking about. OUTDOORS with Bill Clede" with your interview came off very well and ran on 107 stations across the country.

We thought you might like to have these tapes so here are two that were actually broadcast.

Thanks again for your help. Let me know whenever you have an earth-shaking news item -- or even just an interesting story.

Sincerely,

THE MARLIN FIREARMS CO.
