SUBJECT CHANGES MADE ON K-SPRAY BAGS

Confirming our conversation, please be advised of the following changes that must be made on the 32 pound K-Spray bags being I.P.T.'d from Jacksonville:

1) Asbestos label must be completely blocked out.

2) First paragraph in directions, the word "ALKYD" to be inserted where the word "EMULSION now appears.

3) Must show net weight of 32 pounds.

Items two and three can be found in bulletin # PMJ55 dated 10-14-74.
