Not attending:

Frank Schaper	Dep. Chief, St. Louis FD (out of town, wants to join CAP)
Laura Speichinger	Moved from Soulard since interviewed in March

We will contact Soulard's restaurant to finalize arrangements. Dinner selections will include chicken breast, pork tenderloin, beef tenderloin, fresh seafood, vegetarian pasta. A vegetable tray appetizer will be available as guests assemble between 5:30 and 6 p.m.

We will follow the previous developed agenda and messages. Please share those and this memo with the Solutia attendees. It will help if they know what to expect and who the members are before the meeting.

Please make nametags in advance or bring blank stick-on tags to the meeting so people can fill in their own names. The handouts we discussed earlier will be fine.

I plan to be at Soulard's restaurant by 5 p.m. to check the room set-up, etc.

Call if you have questions.
