DID WE GO THROUGH SOME MARINITE AND REMOVE HAZARDOUS PRODUCTS LABELS? IF SO HOW DID THEY COME OFF? IF NOT, HOW ABOUT GETTING A BOTTOM PALLET THAT HAS BEEN AROUND FOR AWHILE AND TRY TO REMOVE LABEL. IN TALKING WITH COGGINS NO ONE IN JH HAS HAD A FIRST HAND LOOK AT LABEL STICKING PROBLEM. WE DO NOT KNOW EXTENT OF PROBLEM. HOWEVER IN HOPEMAN'S CASE IT IS IMMATERIAL WHETHER THE PROBLEM IS REA OR IMAGINARY. HOPEMAN WILL NOT ACCEPT PRODUCT WITH LABELS. PERIOD. WEBER HAS ADVISED INDUSTRIAL ACCOUNTS MUST STILL HAVE NEW COMBINATION PROOF PRODUCT AND CAUTION LABEL ON THEM. EXAMPLE OF THIS LABEL IS MARINITE 36 USING LABEL #LIN-557 HAVE REVIEWED THIS WITH WINGERTER.
