RE: TSCA 8(E) SUPPLEMENTAL SUBMISSION: Sulfonate-based and Carboxylic-
based Fluorochemicals,
Docket Nos. 8EHQ-1180-374; 8EHQ-0381-0394; 8EHQ-0598-373

Dear Sirs:

3M is submitting this notice to supplement its previous submissions on sulfonyl and
carboxylic-based fluorochemicals.

On February 9, 2005, 3M submitted analytical reports with data for water samples taken from
municipal wells for three Minnesota cities - Cottage Grove, Hastings, and Oakdale.

This supplemental submission contains final analytical reports from additional samplings of
the municipal wells in Hastings and Oakdale.

If you have any question, please do not hesitate to contact Michael A. Santoro at (651) 733-
6374.

Sincerely,

Katherine E. Reed
