Mr. T. C. Ford - C2SA
Mr. W. B. Papageorge - B1ND

A. B. Marvin - C2SA

Enclosed is the PCB material you requested. It should give you a general overview of our program of discontinuing sales, tighter manufacturing controls, etc.

Mr. Papageorge is out of the office until Friday, but I do think it would be worthwhile for you and I to sit down and discuss the subject with him and your use of it as an example in an upcoming speech.
