to work in that noxious dusts were generated in said manufacture which when taken into the lungs would produce illness or disease and the defendant carelessly and negligently failed to provide plaintiff with a respirator or mask to prevent the inhalation of said dust or to provide blowers, fans or conductors for the purpose of removing said dust from the plant and from the machines there.

Ten. The defendants carelessly and negligently failed to warn plaintiff of the dangers incident to said work.

Plaintiff further states that as a direct result of the negligence and carelessness of the defendants as aforesaid plaintiff was permitted and asked and required to work under the circumstances aforesaid; that he was caused to breathe into [illegible] harmful and poisonous [illegible] harmful particles as [illegible] plaintiff was [illegible] silicosis, [illegible] silica [illegible] lungs were [illegible] with [illegible] sustain [illegible] disease; that as a direct result plaintiff's life has been shortened [illegible] wages and earnings as a laborer [illegible]

away from the employees [illegible] poisonous or [illegible] dusts and failed to remove dust and refuse incident to such work from the floors, all in violation of the laws of the State of Missouri then and there in full force and effect, being Section 13262 of the Revised Statutes of Missouri, 1929.

Seven, the defendants negligently and carelessly and in violation of law failed and omitted to post in a conspicuous place in every work room where the [illegible] of the known dangers to [illegible] process together with similar instructions as [illegible] means of avoiding the same, in type sufficient to be easily readable although the defendant knew or by the exercise of ordinary care could have known the dangers and injurious effects [illegible] all in violation of the laws of the State of Missouri then and there in full force and effect [illegible] of the Revised Statutes [illegible]

[illegible] carelessly and [illegible] failed and omitted to [illegible] said [illegible] as far as [illegible] the health of the [illegible] of the State of Missouri then and there [illegible] effect, being Section [illegible] of the [illegible] Missouri, 1929.

Nine, the defendants [illegible] negligently failed and omitted to [illegible] to provide plaintiff [illegible]

Three, the defendants carelessly and negligently and in violation of law failed and omitted to provide working clothing to be used exclusively by each employee and did negligently and carelessly and in violation of law fail to provide adequate and approved respirators without cost to the employees and failed and omitted to require employees to wear such respirators while engaged in said work

of dust would be emitted into the atmosphere; that plaintiff was required to breathe into his lungs said dust; that said dust particles contained silicates, lime, free silica, asbestos and carbon, which particles were injurious to the health of persons so breathing said dust; and that as a direct result of the negligence and carelessness of the
