Gateway Center
Pittsburgh, Pennsylvania 15222

Dear Dick and Roger:

Enclosed is a detailed memorandum we have prepared analyzing the entire cross-examination conducted upon EPA witnesses in the PCB proceeding.

We hope that the enclosed will provide you with a useful vehicle for reviewing the record and providing assistance in the preparation of the brief for this case. We are preparing a similar memorandum analyzing the evidence we are introducing in the hearing and will forward this to you after we have received the appropriate transcripts.

Sincerely yours,

Steven S. Rosenthal
