

NEW EVAPORATORS FROM NAPA TEMP PRODUCTS

CUSTOM FIT ORIGINAL EQUIPMENT DUPLICATES

Twelve evaporator cores and fifty tube kits cover 99% of all GM evaporators sold. Coverage includes 1983 and 1984 model years. Simply add the appropriate tube kit to an evaporator core to produce an OE evaporator. Duplicates original equipment in fit, design, and performance.

We've added coverage for Ford and Chrysler products this year. The most complete new evaporator program in the aftermarket.
