RE: NOTIFICATION OF DEMOLITION/RENOVATION

Dear Sir/Madam:

This letter is to notify you of our intention to dismantle the asbestos-cement pipe operations at our Denison, TX facility. The following is for your information:

1. Name and address of owner:
   J-M A/C Pipe Corporation, 1051 Sperry Road, Stockton, CA 95206
2. Description of the facility:
   The factory was built for and used for the manufacture of asbestos-cement pipes. The operation will be shut down permanently at the end of May, 1988. All related manufacturing equipments will be dismantled and removed from the plant. Production began in 1958. The floor space area of A/C operation is 116,800 sq.ft.
3. The asbestos insulated piping and asbestos insulated tanks are as follows:

Pipe Size	Linear Feet	Pipe Size	Linear Feet
1"	220	3"	1042
3/4"	210	4"	529
1"	500	6"	1050
1¼"	180	8"	310
1½"	440	10"	334
2"	1947	12"	335

   Six autoclaves 175 11" long x 90" diameter; One condensate tank 6'3" long x 32" diameter; One hot water tank 8'8" long x 44" diameter; One condensate tank 4' long x 3' diameter; One de-aerator tank 14' long x 6' diameter; and One flash tank 5'6" long x 3' diameter. The original plant drawings were used to determine the above along with visual observations and verifications.
4. Location of the facility:
   Hwy 75 North, Denison, Texas
5. Scheduled starting date:
   Exact date is yet to be determined, but will be after May 31, 1988.
   Scheduled completion date:
   To be determined.

6. Nature of planned demolition/renovation and method to be used:
   Physical dismantling of manufacturing equipments. The dismantled equipments will then be packaged and shipped out of the country.
7. Procedures to be used:
   Will follow all procedures set by EPA and OSHA. In-house supervision will be provided to see that proper procedures are followed.
8. Name and location of the waste disposal site:
   On site waste disposal with permits to operate from governmental authority.

Should you have any further questions, please contact either the plant manager, Mr. Charles G. Stelchek, or me.

Sincerely yours,

E. E. Wang
