Methanol Incident - Recommendation No. 6

Items from this Methanol incident were reviewed by Joe Stal and approved by SHAC. These items will be presented to PMSB in December.

EPP Drill

Bob Hammann will work with Joe Swain to condense the tapes of the EPP drill to 15-20 minutes so that they can be shown to the PMSB at its December meeting.

Items to be Reviewed at Next Meeting

1. Recommendations for makeup of 1985 SHAC committee.

2. Revisions/additions to the action plan.
