Let's talk in the morning.
What time do you think you could arrive at Fair Park tomorrow?

Bruce -- do you have someone else who could walk through with us? I hate to limit it to only an hour and we likely will have quite a few questions especially from a security aspect. We also will need a POC on Friday be available. If that cannot be you, we will need someone else please.

I'm sorry, I cannot get an earlier plane as I will be with the Administrator up until I depart tomorrow.

Thanks so much,

Milan-

Tomorrow we will have to do it.

Friday is full bore showtime with Sec Perry here and General Petraeus and many others.

I can do it from 5:30-6:15 max I am hosting a dinner for many out of town guests at 6:45 downtown.

Is there any way you could catch an earlier plane? bf

Bruce -- I am good with this but I think JP needs to give final approval. We will be getting into Dallas at 430 tomorrow. Could we do a walk through of everything either tomorrow evening or first thing Friday morning?

Thank you.
