

NEWS LETTER

No. 116 1940 - May 29

COMPANY BUYS METAL PLANT

National Lead Company recently purchased the plant of the Northwestern Metal Manufacturing Co., producer of mixed metals, at St. Louis Park, Minn. The plant is now being operated under the name, National Lead Company, Northwestern Metal Works. Norman S. Schroder, who was superintendent under the former management, continues in that capacity.

TITANIUM WESTERN SALES OFFICE TO MOVE

The western sales office of the Titanium Pigment Corporation will be moved from St. Louis to Chicago on June 1. The new address will be 104 South Michigan Ave., and the new telephone number Randolph 8494.

ST. LOUIS APPOINTMENT

R. J. Ferree has been appointed assistant white-lead and oxide sales manager of the St. Louis branch. He succeeds W. H. Lessmann who becomes an assistant manager of the Cincinnati branch on June 1.

SON BORN TO MCCARTHYS

F. K. McCarthy, manager of the Cincinnati branch, and Mrs. McCarthy have announced the birth of a son, William Dail McCarthy, on May 21. The new arrival is named for his maternal grandfather, late manager of the Cincinnati branch. The McCartys also have a two-year old daughter, Patricia Virginia.
