Peter E. Berteau, Ph.D.
Senior Toxicology Specialist
Monsanto Company
800 N. Lindbergh Boulevard
St. Louis, Missouri 63166

Dear Peter:

Enclosed is a draft copy of the seventh and final quarterly report for the study entitled "Effects of PCB on the Reproductive Performance of the Rhesus Monkey (Macaca mulatta)." We are prepared to issue this report in final form when it has been reviewed and accepted by you.

Please contact me if I may be of further assistance.

Sincerely,

David P. Martin, V.M.D.
Director
Laboratory Animal Medicine & Science
