To Members of the L.I.A.-I.L.I.R.O. Health and Safety Committee:

Attached for your information are copies of project proposals to be discussed and voted on at our committee meeting of October 25, 1963. From those members who will be unable to attend this meeting, we will appreciate receiving your comments and votes by mail in advance of the meeting.

This mailing is being made in order not to delay your receipt of information already available. There will be other projects for our consideration which will be sent to you as soon as they have been received in this office. A preliminary agenda for the meeting is attached.

We will welcome your comments on any and all items before the meeting.

Very truly yours,

Don G. Fowler
