SEE THE CARIBBEAN
This is Caribbean, a spicy, multicolor shag that brings the east and excitement of a Caribbean resort into your home. This wonderful dense shag is soft and silky to the touch, amazingly resilient underfoot. Its thick, springy pile is of 100% DuPont [®] *costanovac* filament nylon... highly lustrous and long wearing!

For more than 35 years, we have built our reputation on offering sound, professional carpet advice. Our policy isn't to confuse you but rather to understand your carpet needs and budget. Visit our modern showrooms and be assured that you'll purchase the highest quality carpet suited to your individual needs.

...in the interests of the improvement of the waterfront. The study has found that the waterfront will remain a waterfront, and property owners along the beach line will be required to work by the plan for improvement of their property.

Board Confirms Intent

PARAMOUNT — The Board of Education has authorized a resolution to amend with the State Contract of Employees on the basis of prior agreements, despite some findings of a state audit that which has caused much of its uncertainty. The action, based by a 5-2 vote, agreed in February 1984, approved to the 1984-85 school year and a three-year evaluation period on a salary scale by the Board of Education. The new scale would be set at \$100,000 per year, with the Board approving the new rates for class administrators with increments of \$10,000 and teachers that of \$5,000.
