REDACTED

2/3/94 (_____)

- discussed claim with Dale Norrington + made him aware of our claim.

- agrees with our actions, prefers resolution

- OK'd DG.

- NO cooperation from Environmental Dept about usage at facility partly because records not available.

- use of benzene - product

vs

use of solvents which contain benzene

with all info we can present, will it be enough to convince at a W.C. hearing?

probably NOT

vs

risk of presenting significant defense material which may be
